PT. BERUANG MAYA RAYA

# about us

# It's a thing.

**that matters.**

MAIA exist to inspire people through intelligent and creative big ideas.

MAIA is a fast-growing professional Information Communication Technology company based in Jakarta.

Alongside full service, in-house team of thinkers creators and implementer we work with from high end technologist to high end writers on the same rosters.

We connect and help brands of all sectors and sizes to build meaningful, lasting relationships with their audience by creating world-class excellence communication objectives and also we connect consumer, corporate, technology and brands with their target audiences, real data analytics and audience engagement to deliver a real advantages for our clients.

# world. currently

Technology & Media has grown progressively. People are become more selective on accepting various information. They even evolve to be the source of information. Spreading the right message becomes quite challenging in digital industry. Building a relevant, memorable and engaging brand is the only way to occupy that precious space in consumers' hearts and minds, triggering their choice of brand.

The screenshot shows a web application interface for 'Data Entry'. The browser address bar displays 'http://172.16.3.212/LOSCOLLATERAL/module.aspx#'. The application has a menu on the left with options like 'Penerimaan Dokumen', 'Monitoring Dokumen', 'Pencairan dan Approval Dokumen', 'PKS Notaris', 'Peminjaman Dokumen', 'Copy Dokumen', 'Pengambilan Dokumen', 'Report', 'Pemberitahuan Dokumen yang te', 'Dashboard', 'Maintenance Dokumen', 'Maintenance Parameter Rekening', and 'Facilities'. The main area is titled 'Data Entry' and contains a 'SEARCH CRITERIA' section with fields for 'Nama', 'No CIF', 'No. Debitur', 'No. Aplikasi', 'Tgl Terima', 'Track', and 'Status Pencairan'. Below the search criteria is a table with columns: 'No Debitur', 'No CIF', 'No. Aplikasi', 'Nama', 'Status Pencairan', and 'Tgl Status'. The table lists 12 records, each with a 'Detail' link. The status bar at the bottom indicates 'DTIAB00002 - USER TEST APPROVAL (BA Lending) - 00010 (BEKASI)'.

| No Debitur   | No CIF  | No. Aplikasi | Nama                 | Status Pencairan | Tgl Status             |

GET THE BEST

GARASI 19 | PT. Graha Karya Kreasi started in early 2012 in Jakarta - Indonesia, originally established on the basis of the love of motorcycles, lifestyle and the inherent culture. Starting of the big bikes wash and detailing business, making us one of the great gathering place for bikers. See so much enthusiasm in our environment, we expand our business into a motorcycle concept store that provides a variety matters relating to the culture: ranging from fashion, riding gear to various motorcycle parts & accessories especially for Harley Davidson Motorcycles.

CHAT NOW

BIG TWIN  
SUPPLY

Our main purpose of the establishment is to provide good quality products and nowhere to find in Jakarta. While people modify and or upgrade their motorcycle they also can be looked sharp with a range of fashion items & gears we sell. We like to think that we work hard to promote urban motorcycle culture and creativity, and also exposing the local market to the new experiences!
